## CERTIFICATE OF COMPLIANCE

### EU Persistent Organic Pollutants (POP)

This is to certify that the components that Fair-Rite supplies **do not contain** any of the Persistent Organic Pollutants (POP) per the regulation (EU) 2019/1021 and amended per (EU) 2023/1608.

The signature below verifies that the statements above including but not limited to any material composition data, are valid and accurate.

Signed:

RJ Stevens

Authorized representative of Fair-Rite Products Corp. and RoHS administrator

Director of Quality
